

### **Vice Chancellor Leach**

During the past year I have had the honor and privilege to work with Bishop Johnson, Chancellor Brad Foster, and fellow Vice Chancellors, Andy Cobb and Jimmy Russell. I have attended Bishop and Council meetings and worked on the Standing Committee on Canons. Additionally, I have worked on personnel policies and procedures for the Diocese, several personnel matters, risk management and insurance issues, tax issues related to other business income, enforcement issues concerning the Diocesan policy on preventing child sexual abuse and the restructuring of training procedures for Safeguarding God's Children and Safeguarding God's People. I attended and assisted in the presentation of the Diocesan-wide training program on preventing sexual harassment of church workers. In October, I attended the Annual Province IV Meeting of Bishops and Chancellors in Louisville, Kentucky. This program developed by Chancellor Brad Foster was a rich learning experience. In addition, I have consulted with the Bishop, Chancellor and other Vice-Chancellors on a variety of Diocesan related matters.
