

Vice Chancellor Russell

During the reporting period, your Vice Chancellor has attended meetings of Bishop and Council and has responded to issues regarding construction of the Constitution and Canons of the Diocese and The Episcopal Church. In addition, your Vice Chancellor has consulted with the Chancellor, the other Vice Chancellors and the Bishop on matters concerning a range of subjects. The substance of those consultations would be covered by the attorney/client privilege of communication and are not reported.

This will be my last report to the Diocese as your Vice Chancellor, as I have retired from the position. New and larger responsibilities in my Judicial position have required it. It has been a true honor and privilege to have had the opportunity to serve in this capacity over these many years. The relationships that have been forged over the years with each of our Bishops and other leaders within the Diocese shall be forever cherished.

James F. Russell
Vice Chancellor
