

## **Episcopal Day Camp**

Episcopal Day Camp (EDC) is once again a growing, vibrant outreach of the diocese. Many years of wonderful times at the St. Columba Conference Center keep the children coming back and bringing friends with them. Campers come back to continue the process as councilors in training, Junior and Senior councilors, and adults. Life long relationships are formed in a safe, spiritual setting.

The overnight mentoring camp incorporated into EDC is for inner city children and children that would not otherwise have access to a camping experience. This camp is now in its fourth year and has become a wonderful part of the campers' experience. Funds continue to be an issue for this successful mentoring camp, and donations are continually needed.

EDC is an inclusive camp that has all of God's children coming together to play, worship, and learn regardless of race, creed, or physical disability.

This year the adult staff was Tim Geske, Adam Gintz III, Adam Nelson, Stephen Nelson, Amanda Law, Matthew Arehart, Margaret Barnes, Andy Boucher, Matt Meeks, Drew Brown, Zuri Shabazz, and Jordan Reed. Many thanks to everyone for participating in this outreach.
